

2017-2018 ACT Prep Classes for High School Juniors Only

Durham Public Schools offers ACT Prep classes several times throughout the school year at various sites. Class sessions focus on:

- an overview of the ACT
- types of questions to expect
- test taking tactics
- budgeting your time
- strategies for math, English, reading and science
- timed practices

Trained ACT instructors will lead each class. Each course is 12 hours in length. Students need to be on time and bring a pencil, notebook and calculator to each class. Every effort should be made to attend every class meeting. Make-up classes are NOT available.

The cost for the class is \$20.00. Students will receive a copy of the — Official ACT Prep Guide. This guide is a companion to the teaching guide our instructors use.

Classes are filled on a first come, first served basis. Limited space is available.

A minimum enrollment of 13 students must be met to offer each class. **CLASSES THAT DO NOT MEET MINIMUM ENROLLMENT WILL BE CANCELED.** You will be contacted if there is a problem with your registration or if a class is canceled or full.

Once your registration has been processed AND registration has closed, you and/or your child will receive an informational email about the class. This information will be available at each ACT Prep Class location.
