

# ALWAYS IMPROVING.

## PROPOSED NOVEMBER 2016 \$90 MILLION BOND REFERENDUM

### Construction of a new Northern High School

**\$51,875,000**

A new modern multi-story facility will replace the current facility on the same site. This will be a multi-year, multi-phase project.

### Renovation of Eno Valley Elementary School

**\$7,320,194**

This facility will be completely renovated, eliminating exterior corridors and improving security and access control.

### System-wide security and safety measures

**\$4,376,250**

Based on site-specific needs, safety measures such as secure doorways, access systems and cameras will be installed and upgraded to protect staff and students in 26 elementary schools, eight middle schools, 10 high schools and Central Services.

### Roofing upgrades

**\$11,412,500**

Existing roofing systems will be replaced to protect the instructional environment and building infrastructure at Club Boulevard, Forest View, R.N. Harris, Holt, Oak Grove, Parkwood, C.C. Spaulding, George Watts, Lowe's Grove, Durham School of the Arts, Jordan and Central Services.

### HVAC system upgrades

**\$3,093,750**

Controls and components will be replaced, making climate control systems more dependable and efficient at Burton, Eastway, Hillandale, Hope Valley, Lakewood Elementary, Little River K-8, Parkwood, E.K. Powe, C.C. Spaulding and Watts.

### Lighting upgrades

**\$1,783,606**

Outdated and obsolete lighting fixtures will be replaced with LED fixtures, reducing energy costs and providing brighter, more natural lighting at Bethesda, Club Boulevard, Eastway, Holt, Mangum, Merrick-Moore, Rogers-Herr, Lakeview and Central Services.

### Athletics

**\$2,375,000**

High schools will receive track repair, tennis lights and interior renovations.

### Other district-wide projects and bond management

**\$7,763,700**

Based on site-specific needs, schools will receive general renovations, food service upgrades, paving, playground upgrades and site repairs.

This November, citizens in Durham County will vote on four bond referenda to support Durham Public Schools, Durham Tech, the Durham County Public Library, and the Museum of Life and Science.
