

# DPS Transportation Services: New Student Bus Tracking System Edulog Parent Portal

DPS Transportation Services is proud to introduce our new Transportation Student Bus Tracking Application - Edulog's *Parent Portal*. This new system will replace Synovia's *Here Comes The Bus* App beginning January 1, 2023.

**Sign up to the new portal can begin immediately via the outlines below:**

1. The parent will download the application from Google Play / Apple Music Store
2. Create an account and add the student to the account
3. Parents will need the correct spelling of the students name as it appears in PowerSchool as well as the DPS PowerSchool ID number
4. The link below has FAQ's as well as instructional videos to help with the process
