Dream

At Hope Valley Elementary, we are committed to setting the foundation for realizing both equity and excellence within a successful educational environment. We focus our efforts to increase achievement and growth for all learners as we support opportunities for advanced learning and learners.

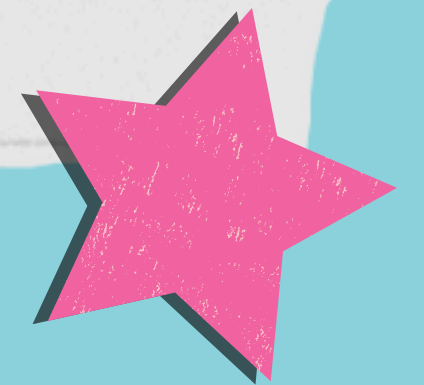

Grades K-2

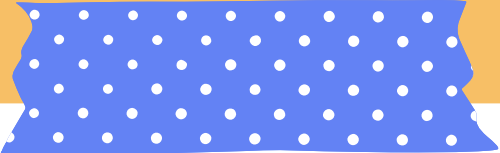

S**U****P****E****R**

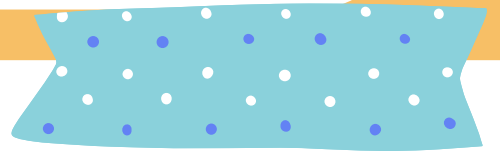

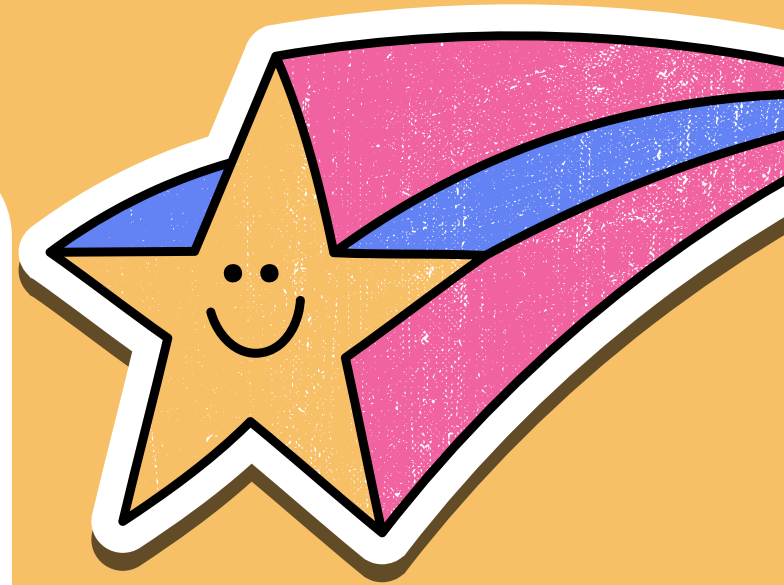

All K-2 students participate in an “Enrichment” investigations specials class which focuses on STEM topics, analytical thinking skills, inductive/deductive reasoning, problem solving, and creativity.

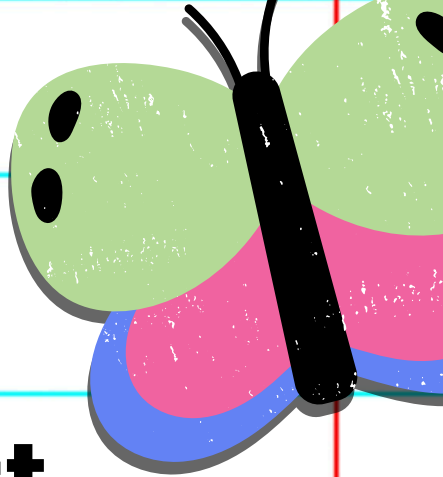

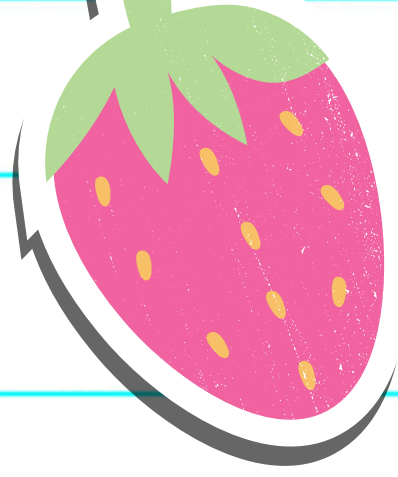

Grades 3-5 Math and Reading

Students will be pulled out to the Advanced Academics' classroom math and/or reading enrichment as well as content extension.

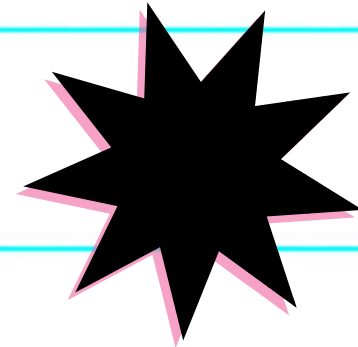

All 4-5 students are invited to participate in our school's Battle of the Books team.

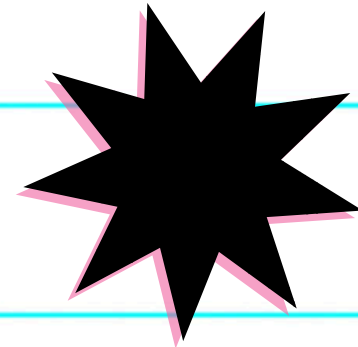

Identification Process

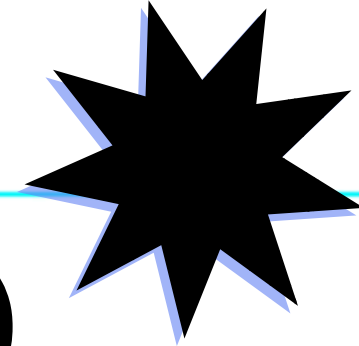

To be identified in a
subject (reading or math),
a student needs two
qualifying identifiers in
that subject:

**Cognitive Abilities Test
(89th percentile+)**

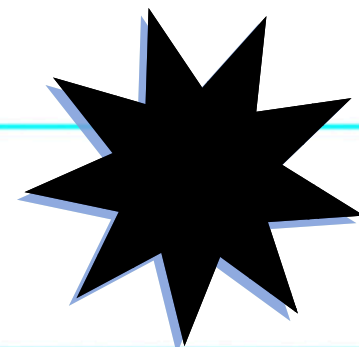

**IOWA Test of Basic Standards
(89th percentile+)**

**iReady
(89th percentile+)**

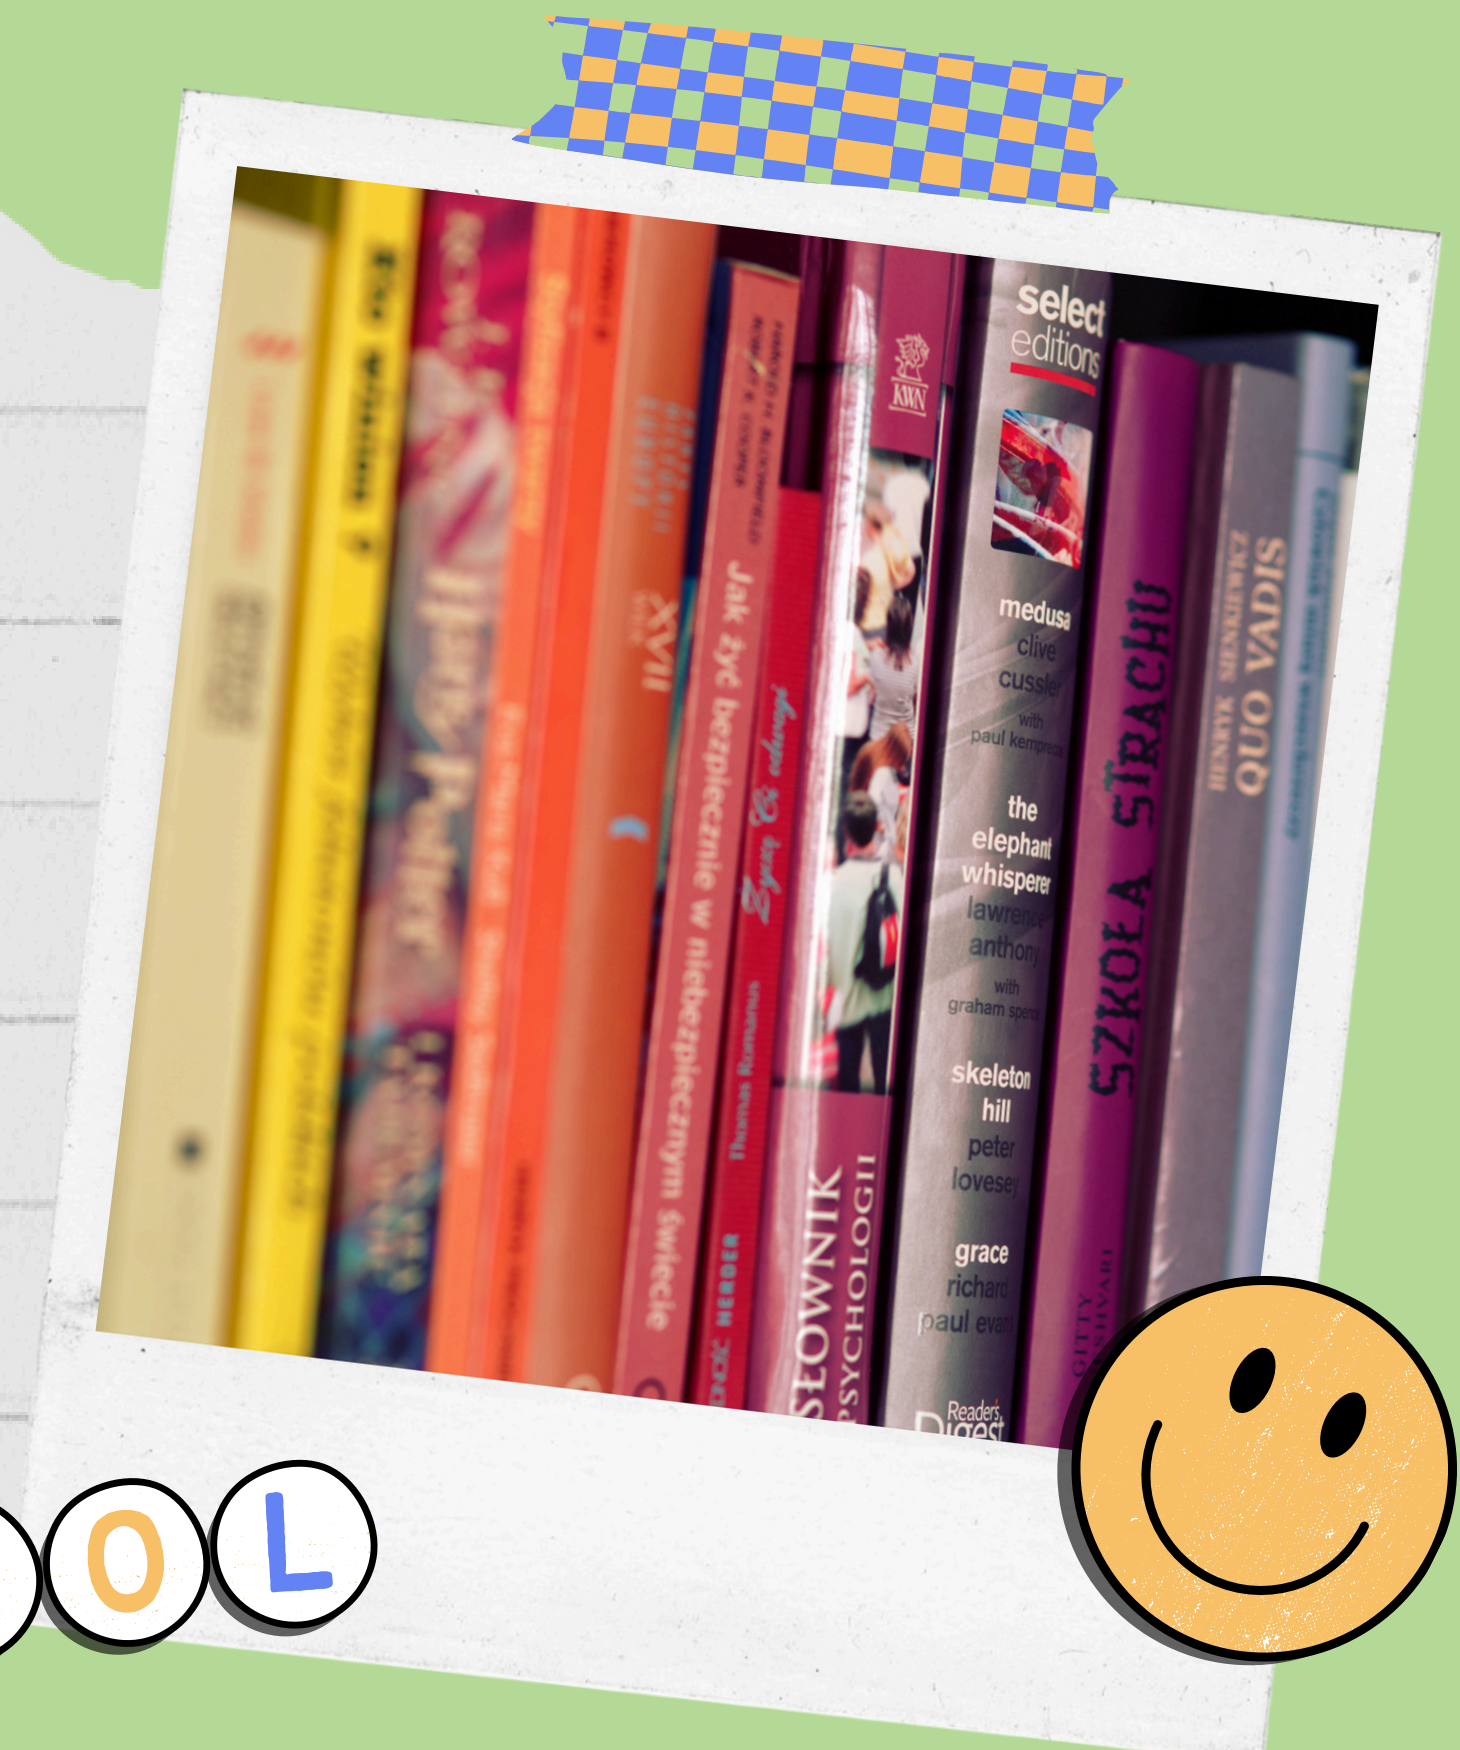

**Beginning of Grade Test (BOG)
85th percentile+**

**End of Grade Test (EOG)
85th percentile+**

**For more
information about
Advanced
Academics please
