Dear Parent/Guardian:

As a parent/guardian of a student in Eno Valley Elementary School, I am writing this letter to let you know that Eno Valley Elementary School has been designated as a Targeted Support & Improvement Additional Targeted Support (TSI-AT) school by the North Carolina State Board of Education. As stated in ESSA Section 1111(d)(2), North Carolina had to identify schools for targeted support and improvement. TSI-AT schools in North Carolina are those that have a subgroup that is under-performing. The intent of this opportunity is to improve educational outcomes for all students, close achievement gaps, increase equity, and improve the quality of instruction.

As a TSI-AT school, Eno Valley Elementary School is required to develop a comprehensive plan that specifically addresses how the school will improve student achievement. The plan will also include how our district will support us and monitor the progress of our school. The comprehensive plan will address the following areas:

- Classroom Management
- Standards-aligned Instruction
- Professional Learning Communities (PLCs)
- Instructional Leadership
- Recruitment & Retention of Effective Teachers
- Support for Grade-to-Grade Transitions
- Implementation of a Tiered Instructional System
- Data-Driven Decision Making
- Student Support Services
- Family and Community Engagement

We have set the following goals for Eno Valley Elementary School this year:

- ***47.9% of 3rd grade students will be proficient in reading***
- ***44.6% of 3rd grade students will be proficient in math***
- ***51.4% of 4th grade students will be proficient in reading***
- ***58% of 4th grade students will be proficient in math***
- ***55.4% of 5th grade students will be proficient in reading***
- ***59.7% of 5th grade students will be proficient in math***
- ***46.2% of 5th grade students will be proficient in science***

Our students need to experience higher achievement levels, but it will require hard work on the part of staff, students and families. Here are some strategies Eno Valley Elementary School will be implementing:

- ***intensified small group instruction***
- ***student-centered learning***
- ***progress monitoring***

- *implement research-based interventions*

Parent engagement is at the heart of our school improvement efforts. Here are some ways we can work together:

- Make sure that both you and your student are aware of academic expectations set for your student this school year. A list of learning objectives in student-friendly language is available from your student's teacher(s).
- Call the school at (919) 560- 3915 if you have questions or concerns about your student or to set up an appointment to meet with a school staff member who will be working with your student.
- Make sure that your student is prepared and attends school each day.
- Monitor your student's homework.
- Monitor the progress your student is making and attend meetings with your student's teacher(s).
- Keep track of our website (www.dpsnc.net/Eno_Valley) and social media sites (Instagram: enovalleydps)
- Volunteer.
