

Bethesda

EXTERIOR RENDERING

MEDIA CENTER, MAIN ENTRY AND
BUS DROP-OFF

Bethesda Elementary School *Durham, NC*

SCOPE OF WORK Bethesda Elementary's scope includes an expansion that includes an 11-classroom academic wing addition, with two new pre-K classrooms. The new addition also includes a gym/auditorium and stage addition, a main entry/lobby addition with student services, a new media center, outdoor play courts and classrooms, an expanded dining area and covered outdoor seating and new parking/drop-off improvements.

The renovation includes new administration and support space reconfiguration and improvements, full HVAC system replacement, resilient floor and ceiling finish replacement, building envelope repairs, domestic hot water system replacement, restroom renovation and fixtures replacements. There will also be electrical system improvements throughout the school.

PROGRESS Design is complete. Project on hold.
