# 2022-2023 BUDGET RESOLUTION

# Section 1 GENERAL STATUTE/ BUDGET TERMINOLOGY

### North Carolina General Statute 115C Article 31. The School Budget and Fiscal Control Act.

#### § 115C-425. Annual balanced budget resolution.

(a) Each local school administrative unit shall operate under an annual balanced budget resolution adopted and administered in accordance with this Article. A budget resolution is balanced when the sum of estimated net revenues and appropriated fund balances is equal to appropriations. Appropriated fund balance in any fund shall not exceed the sum of cash and investments minus the sum of liabilities, encumbrances, and deferred revenues arising from cash receipts, as those figures stand at the close of the fiscal year next preceding the budget year. The budget resolution shall cover one fiscal year. NC General Statutes - Chapter 115C Article 31 2.

(b) It is the intent of this Article that all moneys received and expended by a local school administrative unit should be included in the school budget resolution. Therefore, notwithstanding any other provisions of law, after July 1, 1976, no local school administrative unit may expend any moneys, regardless of their source (including moneys derived from federal, State, or private sources), except in accordance with a budget resolution adopted pursuant to this Article.

(c) Subsection (b) of this section does not apply to funds of individual schools, as defined in G.S. 115C-448. (1975, c. 437, s. 1; 1981, c. 423, s. 1; 1993, c. 179, s. 1.)

## North Carolina General Statute 115C Article 31. The School Budget and Fiscal Control Act.

#### § 115C-426. Uniform budget format.

(a) The State Board of Education, in cooperation with the Local Government Commission, shall cause to be prepared and promulgated a standard budget format for use by local school administrative units throughout the State.

(b) The uniform budget format shall be organized so as to facilitate accomplishment of the following objectives: (i) to enable the board of education and the board of county commissioners to make the local educational and local fiscal policies embodied therein; (ii) to control and facilitate the fiscal management of the local school administrative unit during the fiscal year; and (iii) to facilitate the gathering of accurate and reliable fiscal data on the operation of the public school system throughout the State.

(c) The uniform budget format shall require the following funds:

- (1) The State Public School Fund.
- (2) The local current expense fund.
- (3) The capital outlay fund.

In addition, the appropriation or use of fund balance or interest income by a local school administrative unit shall not be construed as a local current expense appropriation included as a part of the local current expense fund. Each local school administrative unit shall maintain those funds shown in the uniform budget format that are applicable to its operations.

(d) The State Public School Fund shall include appropriations for the current operating expenses of the public school system from moneys made available to the local school administrative unit by the State Board of Education.

(e) The local current expense fund shall include appropriations sufficient, when added to appropriations from the State Public School Fund, for the current operating expense of the public school system in conformity with the educational goals and policies of the State and the local board of education, within the financial resources and consistent with the fiscal policies of the board of county commissioners.
